Quartier Solo +*Italic*

12

Quartier Solo is a seriffed geometric deco typeface. The very first letters were inspired by the Purple Diary lettering and served as a style template for the rest of the alphabet. All curves and curvatures are simulated by polygonal edges and aligned on a grid.

As the name suggests, the *Quartier Solo* comes with only one weight plus a real italic. The complete character set contains over eight hundred characters and serves almost all Latin languages.
